

## HORN ART

**Horn Art** - an expanded LHTT product line of hand made horn products includes all types of jewelry, bowls, spoons, bangles, hair pins, trays, cups, etc. Since Bible days (before plastic) horns were the main material for military armor, tools, eating utensils, combs, powder horns, drink containers, musical presentations, etc. The word horn is used 64 times in the KJV Bible. In fact the Lord Jesus was referred to as the "Horn of our salvation..." Luke 1:69.

The Longhorns Head to Tail ranch store is a "horn store." Many types of mounted, finished and raw horns are available in the store and by on line purchasing. Featuring home grown horns, or real Texas Longhorn cattle is the business of LHTT.

Check the horn inventory at LHTT for uniquely shaped, polished and one of a kind "Horn Art." This is an ancient heating and shaping process requiring great craftsmanship, attention to detail and artistic challenges. No one will have horn like the LHTT Horn Art offered.
