2024 Texas Longhorn Celebrity Calendars - 4 copies (four)

The cover graphic was taken at

Dickinson Cattle Co on Muskrat Creek, Barnesville, Ohio. Every steer sports over 100" spreads tip to tip.

**The 2022 Texas Longhorn Celebrity Calendar** featuring colorful ranch scenes and portraits of famous Longhorns is now ready for distribution. The new (printed in Ohio, USA) collector's edition features 15 graphics selected from ranches in Ohio, Texas, Utah, Colorado, Oregon, West Virginia, Virginia, and Pennsylvania. Internationally famous cattle such as Cowboy Tuff Chex, Mr Happy, Cut'n Dried, DSCC Cowboy Flair, Time Line, RMCC Mr. Blue, and Jet Over RR elegantly decorate each calendar month. These are some of the most valuable, huge horned exhibition quality cattle in the nation.

This magnificent full color laminated calendar easily encourages every future cattle person to dream of the day they also can have their own colorful Texas Longhorn herd. The popularity of lean, high omega 3 beef, and the Texas Longhorn breed has caused increased value for breeders of this healthy bovine.

Western cattle admirers will cherish this collection of hand-picked graphics of nationally famous cattle which will be perfect for framing or decoupage at year's end.

The front cover was captured at Dickinson Cattle Co LLC, in the Appalachian Foot Hills of the Ohio River Grass Lands, Barnesville, Ohio. This is part of the exhibition steer group viewed by ranch guests taking public tours of the pastures every Summer. Each steer sports over 100" of tip to tip. Some of the nation's most famous Texas Longhorns reside in Ohio at DCC.

For 43 years this cattle lover's calendar has been produced and distributed world wide. The calendar is a large 13" x 20" open, wall size. It is printed by Freeport Press, New Philadelphia, Ohio, USA. Past editions have been recipients of Award of Merit and World Calendar awards. For ordering information, TLCC, 35000 Muskrat, Barnesville, Ohio, 43713 USA or [tlcc@texaslonghorn.com](mailto:tlcc@texaslonghorn.com).
